

**ASAHIKAWA MEDICAL UNIVERSITY**  
**RESEARCH BULLETIN**  
**VOL. 12**

**CONTENTS**

<b>Commissions</b>	
Regenerative medicine for bone and tooth using the stromal stem cell .....	TAKEKAWA Masanori 2
Return of knowledge to a community: Evaluation obtained through the participation to Science Partnership Project (SPP) for six years, and prospect in future. ....	HIRA Yoshiki 12
<b>Essay</b> .....	TAKEMITSU Yoshiharu 23
<b>Submissions</b>	
Study of finger-tip pulse oximeter at Asahikawa Medical University and the history of its worldwide acceptance .....	NAKAJIMA Susumu / OSAKI Yoshinobu 27
Situations Identified through Dialogues with First Year Newly Graduated Public Health Nurses .....	FUJII Tomoko / SUGIYAMA Sachiyo / KITAMURA Kumiko 34
Evaluation of temperature management in Brain Hypothermia(BHT) -Factors making nurses (with ICU experience of less than three years) feel difficulty and factors making management difficult- .....	AOKI Kasumi 42
Self-care agency of elderly patients with diabetes and associated factors -Comparison of young-old and old-old patients- .....	SAKUNAMI Akiko, HATTORI Yukari 51
<b>Commissions</b>	
2011 Innovative Research in Life Science	
1) Mechanisms for Scavenging Reactive Oxygen Species in Rat Spermatozoa.....	HARUMI Tatsuo 66
2) Development of highly sensitive quantification methods for a signal transduction study in minute smooth muscles. ....	TAKEYA Kousuke 67
3) Changes in expression of GABA-receptor subtypes in mouse accessory olfactory bulb during maturation.....	SASAJIMA Hitoshi 68
4) Establishment of treatment strategy for Parkinson's disease via increment of ubiquitin ligase activity .....	OOMURA Tomohiro 70
5) The functional role of MDL-1 as a therapeutic target against endotoxin-induced lung injury) .....	AOKI Naoko 71
6) Functional analyses of collectin CL-P1 .....	OHTANI Katsuki 72
7) Determination of Active GIP and GLP-1 Levels via the Novel Bioassay System in Human. ....	FUJITA Yukihiro 74
8) Elucidation of association between host cell signaling and efficiency of Herpes simplex virus replication.....	NAGAMORI Tsunehisa 75
9) Usefulness of the punch grafting technique for recalcitrant skin ulcers and design of a novel punch grafting equipment.....	HONMA Masaru 77
10) Effect of a PDE5 inhibitor, Vardenafil, on Rat Urinary bladder Function After Bladder Outlet Obstruction .....	MATSUMOTO Seiji 78
11) Effect of improvement of retinal circulation for diabetic retinopathy and retinitis pigmentosa .....	SOGAWA Kenji 79
12) Potential Direct Communication of the Lung to the Mediastinum: Computed Tomographic Evaluation of Pulmonary Venous Connections. ....	SASAKI Tomoaki 80
13) Pharmacokinetics of anticonvulsant in status epileptics.....	SATOH Masao 82
14) The adipose tissue-derived stem cells for bone regenerative medicine.....	TAKEKAWA Masanori 83
15) Difficult Situations and Their Coping Methods Achieved via Dialogues with New Public Health Nurses, Employed by Hokkaido Municipalities Through Focus Group Interviews - .....	FUJII Tomoko 85
16) The significance of the Fahraeus-Lindqvist effect in retinal microcirculation .....	TAKAHASHI Tatsuhisa 86
17) Detection of metal-peptide complexes as biomarker candidates based on super-sensitive ESI-MS .....	TSUMURA Naomi 89
18) The relation between thyroid hormone transporter expression in the human placenta and thyroid function of premature infant.....	NOHARA Fumikatu 91
19) Analysis of neuronal death mechanism and search for novel therapeutic agent in sporadic amyotrophic lateral sclerosis. ....	SAWADA Jun 93
20) Antitumor activity of the iron facilitator LS5-81.....	TANAKA Hiroki 94
2011 Innovative Research in Life Science	
Breakthrough for the development of artificial joint without loosening.....	MATSUNO Takeo 96
Medical support in the disaster area damaged by the Great East Japan Earthquake -from pharmacists' standpoint- .....	ONO Takashi 100
A Trial of JICA Training Course of Maternal and Child Health and Follow-up in CAMBODIA .....	KURODA Midori 106
Review of the 4th JICA Training Course:Health Administration for Regional Health Officer for African Countries .....	KITAMURA Kumiko / YOSHIDA Takahiko / FUJII Tomoko 110
<b>News</b> .....	KOHGO Yutaka / MATSUNO Takeo / HANEDA Masakazu / TASAKI Yoshikazu / HARABUCHI Yasuaki / FUJII Tomoko 121
<b>Students's pages</b> .....	SATOH Hiroki 139
<b>Books</b> .....	INABA Yoshie / KASHIWAYANAGI Makoto / KAKIZAKI Hidehiro / IWASAKI Hiroshi / FUJIO Hitoshi 142
<b>Material</b> .....	FUJIO Hitoshi 148
<b>Editor's Note / Cover Story</b> .....	151
